PROJECT NAME	PROJECT Smart Waste Management System for Metropolitan Cities
MAXIMUM MARKS	2 MARKS

problem statement	I am (customer)	I am trying to	but	because	which makes me feel
ps-1 Trying logging into website	user	log in into the website	The service is very low	server is down	annoyed
ps-2 smart waste management	consumer	bring in smart clean city	The process is too big	we need people to co-operate	is better for the city.
